Le Chalet Mont Blanc is an exquisite residence espousing the pinnacle of contemporary chic luxury within a majestic alpine setting. This property belongs to the exclusive private enclave of Coupeau on the south-facing side of the Chamonix Valley. Prestigiously poised a short drive to the ski lifts of Les Houches, the resort town, and the Brevent lift station, this French Alps vacation rental leaves no guest impervious to its charms.

A behemoth of modern luxury design, guests may revel in beautifully curated spaces toeing the line between Scandinavian-chic elegance and ski lodge romanticism. Sprawled across five floors, the property presents over 10,000 sq. ft of prime living space. Spellbinding trophy spaces abound, with a wealth of lounge and seating areas paired with a diversity of fine timber finishes. Vaulted ceilings garnished with roughhewn beams enhance an exquisite sense of vertical dimension between free-flowing common areas. Twelve executive-style bedrooms, a studio, an indoor swimming pool, and a sauna, redefine high-altitude luxury living. Each bedroom flaunts a private balcony or terrace, the Chalet's ingenious architecture conceived to harbor the sunlight for far longer than the competition. Ideally designed for large groups, this mountain gem can accommodate up to 26 guests in utmost comfort, discretion, and style. Discerning guests may revel in the home's massage, beauty therapy room, and a fully equipped fitness room offering bliss and well-being for the mind, body, and soul.
