No expense was spared with this awe-inspiring home, with dramatic interiors on par with the world's most exquisite contemporary art museums. A soaring grand entrance features fully automated floor-to-ceiling glass walls that disappear with the touch of a button. Skylights pour light unto a double-height foyer, while striking golden orbs dangle above the sleek floating staircase. Cutting-edge contemporary pieces and art installations smatter the interiors. Bold, glamorous, and seductive, the ground floor is coated in black and violet notes with suede, velour, leather, glossy marble, and wood, showcasing infinite textures and gradients of nocturnal elegance. Stunning avant-garde custom chandeliers pop in an evening ambiance, teeming with Bondian cool. The great room fuses a dining, living room, bar, and kitchen area with the outdoors via retractable glass walls. Seven fantastic bedrooms offer fourteen guests the ultimate comfort with 9,500 sq. ft. of living space. An artful wine cellar and recreation room equipped with a home cinema and poker table render ordinary nights-in extraordinary.
