VILLA CHACRA LA COLORADA

JOSE IGNACIO, PUNTA DEL ESTE

Villa Chacra La Colorada is a glorious luxury rancher offering an incomparable pastoral getaway. This sprawling residence simulates a beautiful sense of seclusion and boundless space from its hilltop perch. Five hectares of manicured land delivers no shortage of surprises offering the ultimate nature retreat for those seeking reconnection with the elements.

Latin color and modern country charm collide with outstanding results in breezy open-concept interiors interfacing gorgeously with the exteriors. Lovely, exposed beam ceilings sculpt the vaulted ceilings of common areas that are beaming with natural light. A textured exposed stone hearth complements the luxury rental's shimmering precious stone flooring, while vibrant pops of crimson harmonize Latin vitality with a Cowboy saloon edge. Echelons of sliding glass doors offer seamless navigation to the wide veranda. At the same time, bohemian knick-knacks and unique decor elements deliver a lived-in familiarity and comfort to the home rarely encountered among luxury ranchers. A low-profile lounge pivots between the main living area and a chic cocktail bar well stocked with the finest local spirits. Between seven spacious bedrooms, fourteen guests may be accommodated in utmost comfort between the luxury vacation rental's multiple suites or residences. This luxury farm retreat has a media room, work office, sauna, and perimeter surveillance service for complete peace of mind.

Villa Chacra La Colorada peers into the purest distillation of Punta Del Este's natural majesty, offering an unmatched backdrop for a morning cup of coffee or a post-sight-seeing glass of red. The Villa's many terraces and romantic alfresco areas offer plenty of vantage points for lounging with poolside cocktails, soaking in the sun, or the boundless country horizon. Inviting guests to uncover a novel and no-less spectacular side of Punta del Este, this fantastic luxury rancher leaves none impervious to her charms.

PUNTA DEL ESTE

JOSE IGNACIO

Punta del Este is one of South America's foremost beacons of fine luxury living. Well-known for decades by the Argentine and Brazilian jet-set, this seaside city's reputation now goes far beyond hemispheres. A place to see and be seen, this glitzy coastal community has inspired comparisons to Monaco. Scintillating casinos, glamorous beaches, and famed club zones brimming with the buzz of celebrity sightings and gossip make up Punta's mystique. From the Gaudi-style whimsy of Carlos Páez Vilaro's cliffside art gallery to the iconic Mano en la Arena sculpture protruding from the fine sands of Playa Brava, Punta del Este abounds with a youthful and exuberant spirit that enchants far and wide.
