VILLA PEARL EAST

LONG BAY, TURKS AND CAICOS

Villa Pearl East is a stunning diamond-shaped seafront residence straddling the ethereal white sands of Long Bay Beach. Perched on a gentle incline, this property commands exquisite coastal views peering into the purest distillation of Turks and Caicos' natural beauty. An impossibly clear turquoise horizon is framed by majestic palms, while a whimsical boardwalk traverses the dunes to twin beachside lanais, serenaded by the soothing Caribbean surf.

A wondrous monochrome palette enhances Pearl East's uncanny architecture while imparting a dreamy shroud of calm and sea-wept romanticism to the home. Sleek lines and oblique vertices make up dynamic free-flowing interiors awash in radiant white. Floor-to-ceiling windows wrap across the great room's uncanny dimension allowing the all-day sun to animate a gorgeous smattering of ultra-plush furnishings and elegant European accents. Dainty wire chandeliers suspended from deep grooved coffered ceilings impart a sense of grace and whimsy to the romantic home. Travertine floors match the home's selection of provincial style furnishings, while the home's high concept open-sided walls provide an unmatched sense of permeability and oneness with the surroundings. Eight fantastic bedrooms with vaulted exposed beam ceilings encapsulate laidback beachside luxury. 20 guests are accommodated in total comfort, discretion, and elegance. Six are outfitted with King sized bedding, while two bedrooms equipped with double beds ensure versatile lodging capacity.

This Long Bay luxury vacation rental comes to its fullest expression with the spectacular outdoor spaces. Between a private stretch of coastline, two sizeable swimming pools, a children's wading area, and a Jacuzzi, this property encapsulates tropical Island decadence. Additional shared amenities include a spa with a massage area, hammam, and sauna. The grounds reveal tennis and half-basketball courts, while a state-of-the-art shared gym rounds off a haven of recreation, relaxation, and rejuvenation.

TURKS AND CAICOS

LONG BAY

Turks and Caicos are a British Overseas Territory made up of eight major islands and dozens of smaller cays in the tropical Atlantic, southeast of the Bahamas. Known for its turquoise waters and powder-soft sand, the archipelago is home to some of the best beaches in the world. On Providenciales—locally known as Provo—you'll find Grace Bay Beach, upscale restaurants, and luxury boutiques. At the same time, Grand Turk offers world-class wall diving and glimpses into the island's colonial past.
