VILLA CASTILLO DEL MAR

PLAYA CALETON, PLAYA CALETON

Villa Castillo del Mar is a luxury rustic Caribbean retreat perched on the windswept sands of Playa de Caletón Chiquito, blending handcrafted charm with ultra-exclusive oceanfront living. Nestled behind imposing white-washed stone walls and framed by swaying palms, this gated estate celebrates natural elegance: exposed timber beams, rough-hewn columns, and artisan-crafted details evoke an authentic seaside sanctuary designed for discerning connoisseurs of understated luxury.

Inside, every room marries rugged textures with refined comfort. The great room features a soaring vaulted ceiling of reclaimed mahogany timbers, while an immense stone hearth anchors plush leather sofas and hand-woven sisal rugs. Sunlight filters through latticed wooden shutters, illuminating bespoke furnishings sourced from local master artisans. The gourmet kitchen, clad in reclaimed oak cabinetry and polished concrete countertops, is outfitted with chef-grade appliances, a central prep island, and a built-in wood-fire oven, ideal for sharing intimate meals at the adjoining farm-style table. Ten serene en-suite bedrooms continue the rustic-luxury motif with canopy beds draped in organic linens, hammered-metal light fixtures, and private nooks opening onto vine-draped terraces.

Outdoors, sprawling terraces of weathered teak and native stone lead past fragrant tropical gardens to a dramatic infinity pool edged in volcanic rock. A vine-woven pergola shades a rustic al fresco dining pavilion complete with a lava-stone grill and handcrafted long-plank table. Below, a thatched palapa lounge and fire-pit enclave offer cozy gathering spots as waves lap the shoreline. A meandering path through swaying sea grass grants direct beach access, while an equestrian pavilion and watersports outfitting station ensure limitless island pursuits. With bespoke catering, daily housekeeping, and on-call concierge service, Villa Castillo del Mar redefines ultra-luxury beachfront living with a soul-stirring rustic edge.

PLAYA CALETON

PLAYA CALETON

The Dominican's Playa Caleton is a slice of heaven, standing shoulder to shoulder with the world's enchanting coastlines. Serene, secluded, and stunning, this crescent-shaped cove is gently sculpted by impossibly turquoise crystalline waters. Fragrant foliage perfectly encloses its shores, insulating bathers with an ethereal quiet and tranquility reminiscent of the most remote tropical islets. Sculpted faces of Taino Indians embellish this idyllic beach with mysticism and intrigue, found easily en route from the sleepy fishing village of Rio San Juan.
